DONALD A. WING

He set aside his future plans
His every youthful hope and dream,
He visioned all mankind his friends
And gave for them the gift supreme.

Time cannot dim the cherished thoughts
Though he has passed away
In memories that never fade
He'll live for us each day.
And in the knowledge that he went
Bravely, without regret,
We'll know he went to God content
To do the task he met.
His spirit will live on with those
Who fought for liberty,
And he will be forever young
Who died to keep men free.
